If you would like to submit an event for posting on the Industry Calendar, please email info@nrcma.org.

Event Sponsorships: The NRC offers its members the opportunity to sponsor a specific conference function. Conference event sponsors will receive signage and oral recognition at the event, sponsor ribbons on their badges, their logo imprinted on the 2016 NRC Conference Program front cover, and space to distribute promotional literature or trinkets in the registration area. **2016 NRC Sponsorships are open.** Please contact Matt Bell at mbell@nrcma.org or 202-715-1264.

Golf Tournament: NRC's 2016 Golf Tournament will be held on Friday January 8 at the Sycuan Golf Course (3007 Dehesa Rd, El Cajon, CA 92019), located approximately 24 miles from the Hotel del Coronado.

Golf play will begin at 12:00 pm with a shotgun start. The Tournament format is a four-person scramble, allowing players with varying ability the opportunity to play and have a great time. A box lunch will be provided prior to the Tournament. Rental clubs are available. The Tournament registration fee includes carts, green fees, lunch and refreshments, driving range, putting green and prizes.

To register for the tournament, [please sign up as a part of the 2016 NRC Conference registration process](#), fill out this form or contact Matt Bell via email at mbell@nrcma.org.

Sailing Tournament: The first ever NRC Sailing Tournament will also be held on Friday, January 8th from 1:00pm to 5:00pm. Group transportation departs the hotel at 1pm, with
expected return by 5pm.

The sparkling waters of the San Diego Harbor will provide a perfect backdrop the sailing event. Each person will be an official "crew member" of their vessel, vying to push their team into the winner's circle. The teams will tackle an exciting two-mile course over a period of 2 hours.

Sailing boats come with a captain who will brief the crew on strategy, techniques and sailing instructions before the race. The Tournament registration fee also includes a box lunch, snacks and beverages on the boat.

To register for the tournament, please sign up as a part of the 2016 NRC Conference registration process, fill out this form, or contact Matt Bell via email at mbell@nrcma.org.

FTA's XPEDITE Initiative

FTA is undertaking an effort to speed up planning, approval and delivery of its capital investments and better support innovative financing methods that support capital investments in transit. The multi-faceted Expedited Public Transportation Improvement Initiative (XPEDITE) will enhance and increase the transit industry’s access to:

- Improved public transportation technologies;
- Proven methods to speed up planning, development,
approval and delivery of FTA supported capital investments; and

- Enhanced financing methods and opportunities for public-private partnerships through "value capture" that support improved capital project delivery.

To gather public comment on the initiative, FTA will host an online dialogue that is open now and lasts through Friday, October 16, 2015.

**2015 FRA Rail Program Delivery Conference**

The FRA 2015 Meeting on Rail Program Delivery is scheduled for Tuesday, October 13, 2015 to Thursday, October 15, 2015. This year’s meeting is structured into three tracks, so that it better serves transportation professionals in the various disciplines. Like last year, the meeting will bring
together a group from across the country of approximately 180 project directors, managers, and other key personnel on FRA-funded rail projects, rail industry leaders and experts, Federal oversight contractors, and Federal staff.

The FRA strongly encourages grantees to participate, as the meeting content directly relates to planning and environmental review; design, construction, operations; and policy, funding, financing. The content is vital to understanding FRA requirements for project development and delivery.

FRA’s objectives are to help grantees successfully deliver projects; mitigate risks; and improve FRA’s stewardship of taxpayer dollars. The meeting will:

- Provide a venue for sharing of technical expertise, best practices, and lessons learned;
- Help further define expectations for project development and implementation;
- Help ensure MTACs’ (monitoring and technical assistance contractors) consistent use of oversight methods;
- Provide an opportunity for networking and building a culture of learning in the rail industry in the U.S.

For more information and to register, go to https://www.regonline.com/builder/site/tab2.aspx?EventID=1740319

For questions or to request access accommodation or services, email FRARailProgramDelivery@dot.gov.

**CP & NS Complete Delaware & Hudson South Line Sale**

Canadian Pacific Railway Ltd. has completed the sale of a 282-mile segment of its Delaware & Hudson subsidiary to Norfolk Southern Corp.-the D&H South line, which connects Schenectady, NY, with Sunbury, PA.

The D&H South sale includes all branch lines and industrial spurs that connect to the Sunbury-Schenectady main line, plus some equipment, vehicles and parts. NS formally began rail operations on the corridor on September 19. Approximately 45,000 CP carloads and shipping containers moved across the line annually, including consumer goods, salt, grain and forest products.

The acquired lines connect with the NS network at Sunbury, PA, and Binghamton, NY, providing NS single-line routes from
Charlotte LYNX Blue Line Extension Receives $180M TIFIA Loan

The Charlotte Area Transit System (CATS) in North Carolina will receive a $180m Transportation Infrastructure Finance and Innovation Act (TIFIA) loan for construction of the LYNX Blue Line light-rail extension. The TIFIA loan will support the expansion of the light-rail system from Center City Charlotte to the UNC Charlotte Campus.

CATS officials estimate that the light-rail extension will create approximately 7,600 jobs during construction with total light-rail ridership at more than 18,900 additional riders each weekday when the extension opens in 2018. The 9.3-mile extension will add service along what will become an 18.6-mile light-rail corridor in Northeast Charlotte and will help to reduce congestion along Interstate 85 and US Route 29, where commercial and residential growth is expected to continue.

In addition to the $180m TIFIA loan, the Federal Transit Administration (FTA) is providing $580m for the $1.16-billion project through FTA's Capital Investment Grant Program. The remaining cost is covered by state and local funding.

SEPTA Names Jeffrey Knueppel as Next General Manager

The Southeastern Pennsylvania Transportation Authority (SEPTA) has named Jeffrey Knueppel, P.E. its next general manager. With this appointment, Knueppel will oversee 9,300 employees and full operation of the sixth largest transportation agency in the country.

Prior to his appointment, Knueppel, a 27-year veteran SEPTA employee, served as deputy general manager in charge of two divisions - Operations and Engineering, Maintenance, & Construction (EM&C), as well as several Staff Support Departments. He will succeed Joseph Casey, CPA, who retires as general manager on September 30, 2015.
Norfolk Southern Appoints Philip Merilli VP Engineering

As part of a leadership restructuring, Norfolk Southern Corp. named Philip Merilli vice president engineering effective Oct. 1, 2015.

Merilli’s department is responsible for the construction, maintenance and inspection of the rail network’s tracks, bridges, and signal systems.

Merilli has been assistant vice president maintenance of way and structures since 2013. Before being named to his most recent position, he served in several engineering positions, including track supervisor, division engineer, and chief engineer line maintenance. He joined an NS predecessor line in 1981 as an assistant roadmaster.

In his new position, Merilli will report to Michael Wheeler, who will serve as senior vice president of operations Oct. 1 through Jan. 31, 2016, at which point he assumes his new duties as executive vice president and chief operating officer.
